

Wells Internet Bible Study Ministry

Let me share what God has done through the Wells Internet Bible Study Ministry this past year, 2022.

There are two parts of Wells Internet Bible Study Ministry, the Internet Bible Study (WIBS) website, www.wellsbiblestudy.com and the Virtual/In-Person Bible Classes via Zoom.

On the WIBS website, 199 people from 30 Nations and 50 States read the plan of salvation, and 49 people were saved in 2022. Praise the Lord.

On the WIBS website, I have 17 Bible courses that people can take online or by Virtual/In-Person Bible Classes. In 2022, I had 2,592 people from 101 Nations and 48 States do 4,850 Bible course lessons. That is not bad for a small unofficial university.

On the WIBS website, I have other Bible studies, outlines and videos. I video the Sunday Morning Bible Classes and put them on the WIBS website. I had 32,368 people from 68 Nations use 1,335 videos in 2022. Someone who understands English will play part of a video and pause it, then repeat what I said in their language to a class till they have finished the video.

I had a total of 35,852 people from 110 Nations and 50 States use WIBS.

I taught 3,151 people in 324 live Virtual/In-Person Bible Classes via Zoom in 2022.

I praise God for using me in this powerful ministry. It is God's ministry, not mine.

**Thank you for your prayers and support.
